

Why choose an Extreme trailer?

- 70 Years combined marine experience
- Designed and built in Great Britain
- Superior roller design
- Fully type approved
- Excellent customer service
- Two years manufacturers warranty

Standard Features

- Waterproof sealed bearings
- Tie down points
- Nylon non-marking rollers
- Aluminium wing brackets
- U bolt construction allows total adjustment
- Galvanised to EN ISO 1461 specification
- Al-ko axles
- Al-ko couplings with locking option
- All trailers come with Dutton Lainson winches (not combi)
- All trailers come with a lightboard
- All trailers are fully type approved
- Certificate of conformity supplied

Manufacturing Process

- Most of our parts are manufactured in-house so we hold a comprehensive range of spare parts in stock
- Our on-site machinery includes a full CNC laser cutting machine and plastic injection moulding machine
